

THE DETAILS
ARE NOT THE
DETAILS.
THEY MAKE
THE DESIGN.

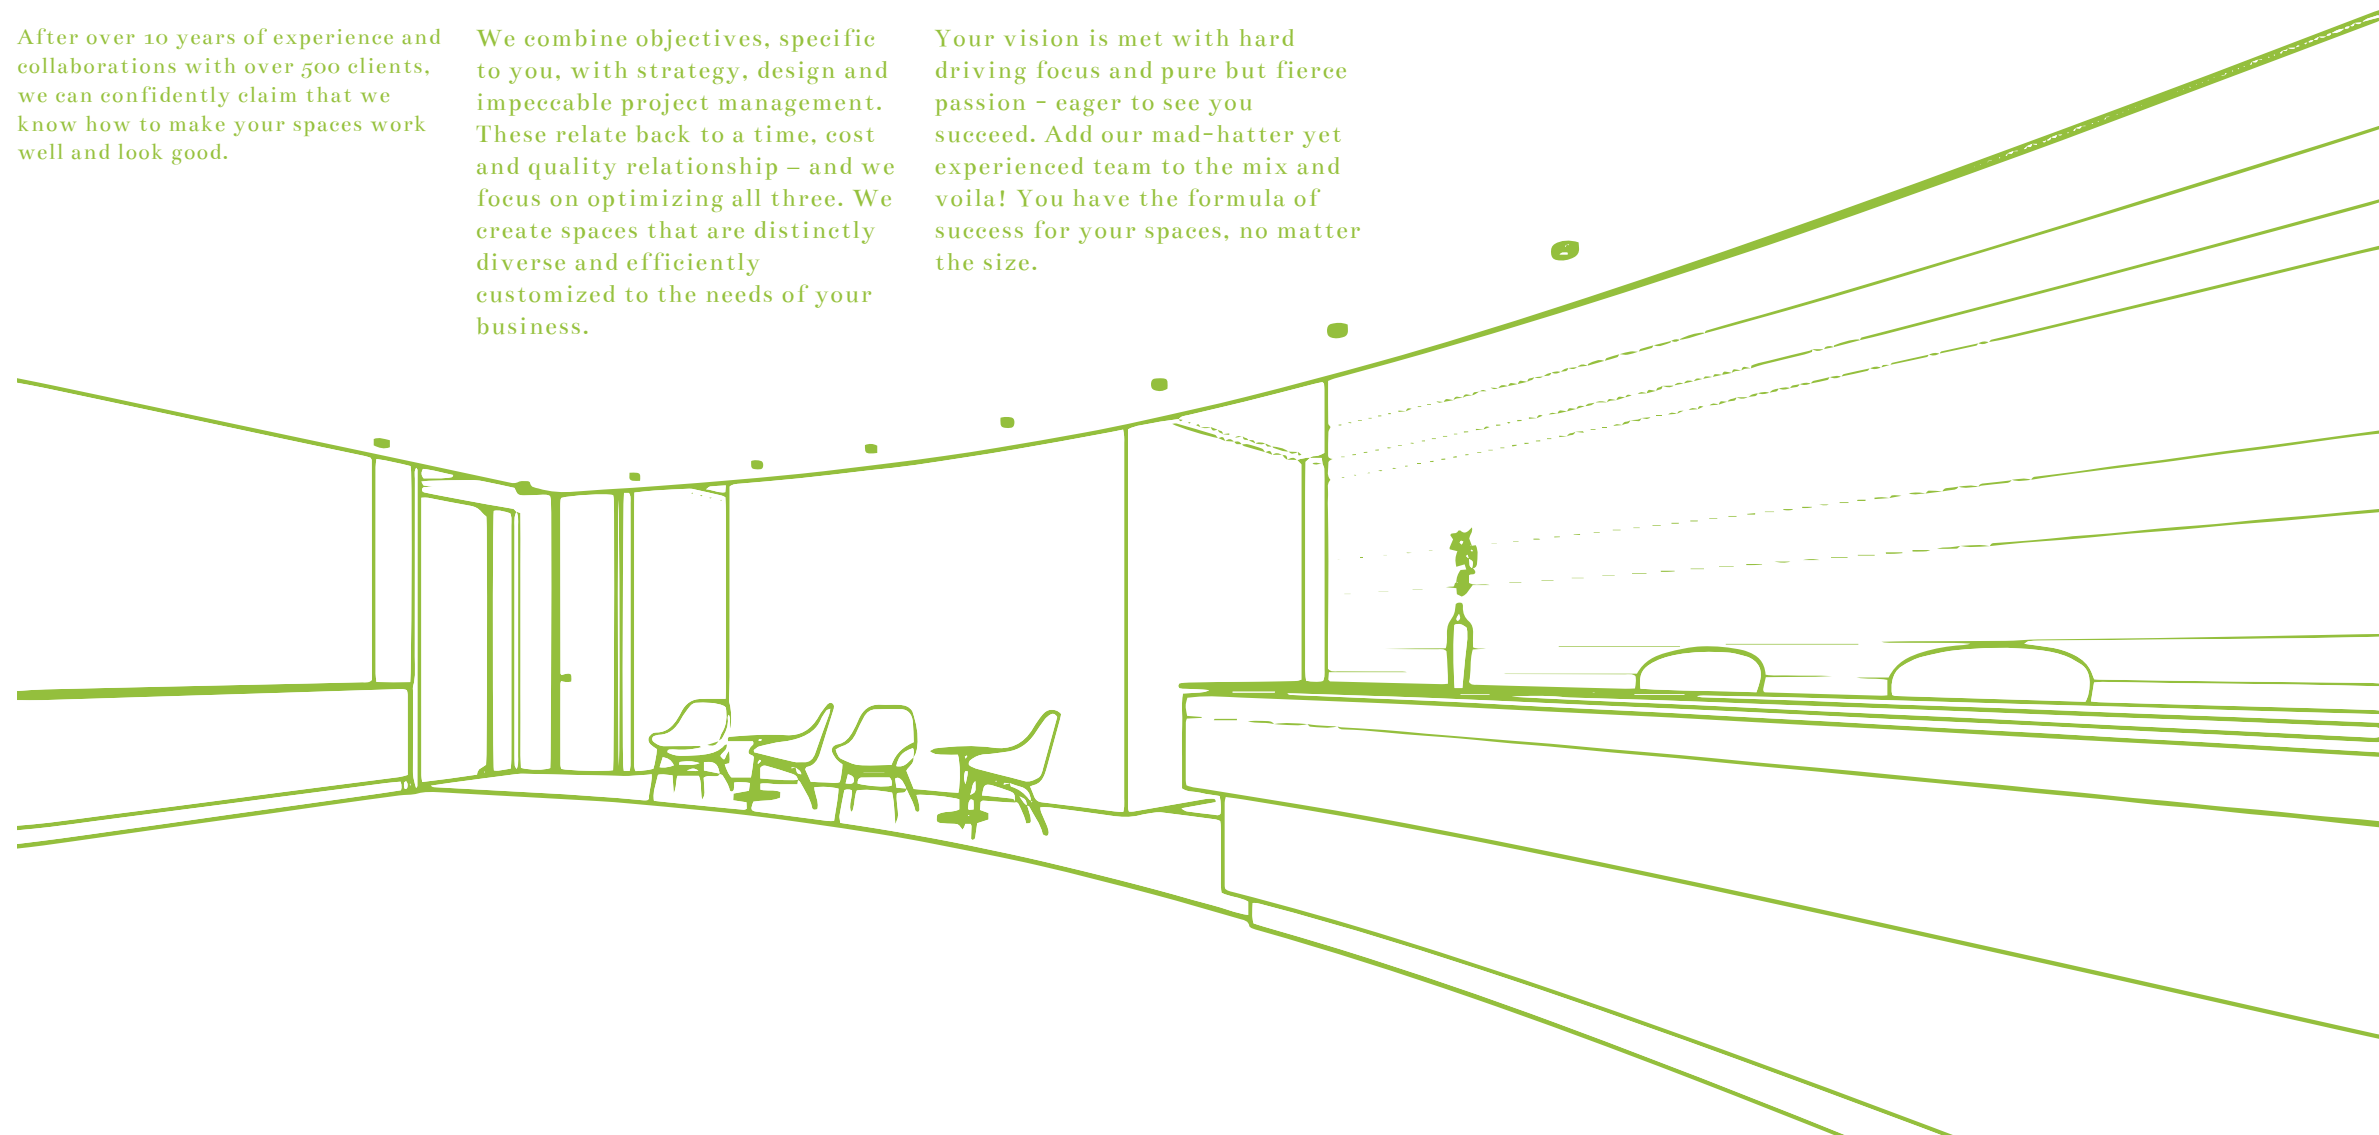

- CHARLES EAMES

GREEN CURVE IS A DESIGN LED COMPREHENSIVE FIT-OUT FIRM.

After over 10 years of experience and collaborations with over 500 clients, we can confidently claim that we know how to make your spaces work well and look good.

We combine objectives, specific to you, with strategy, design and impeccable project management. These relate back to a time, cost and quality relationship – and we focus on optimizing all three. We create spaces that are distinctly diverse and efficiently customized to the needs of your business.

Your vision is met with hard driving focus and pure but fierce passion – eager to see you succeed. Add our mad-hatter yet experienced team to the mix and voila! You have the formula of success for your spaces, no matter the size.

**ALONG WITH OUR
SERVICES, WE'VE
ALSO GOT YOU
COVERED WHEN IT
COMES TO THESE:**

Passion for aesthetics

Attention to detail

Diverse design knowledge

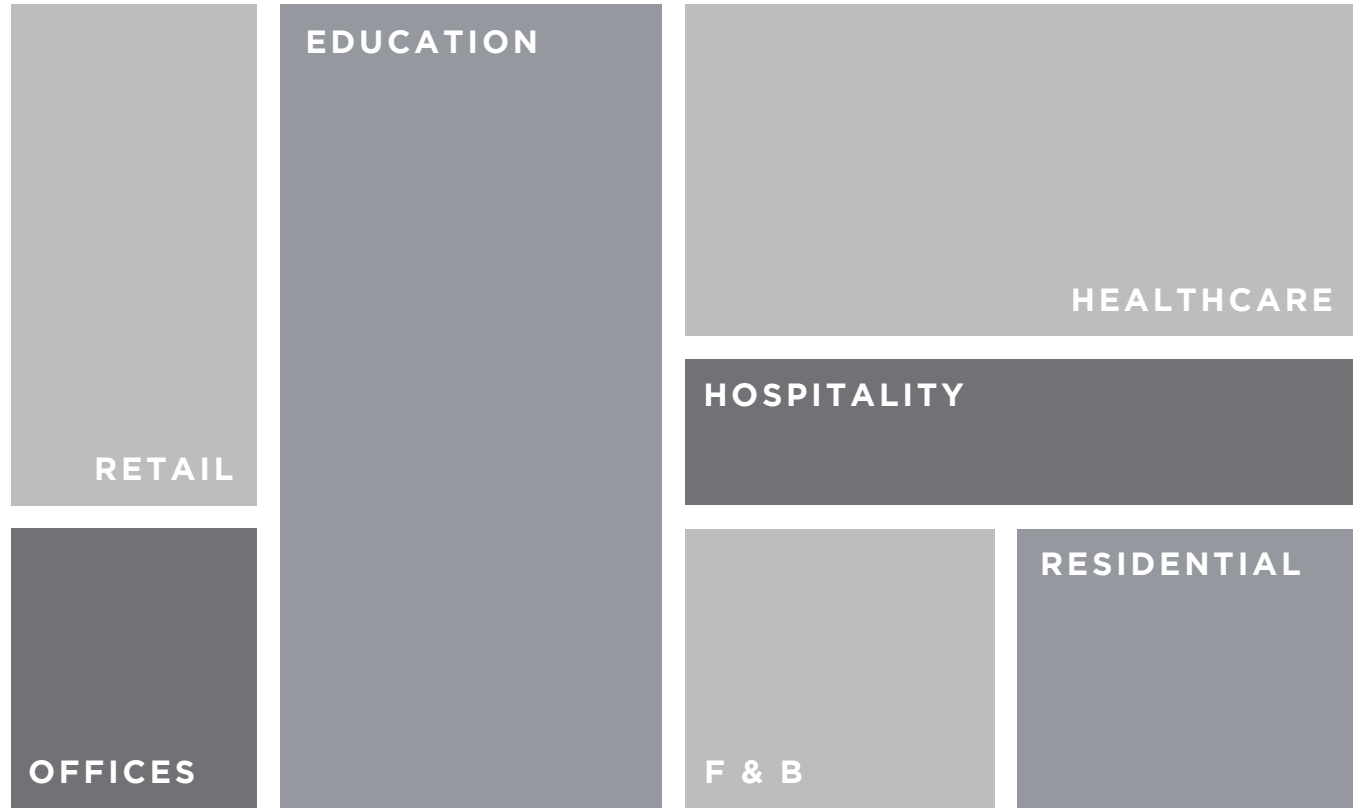

Conception to implementation solutions

On-time handover

Awareness of and compliance with government doctrines

INDUSTRY VERTICALS WE SPECIALISE IN

WHAT WE DO

We believe in the design process, and its capacity to make a qualitative difference to interior spaces. We pride ourselves in this design-centric approach.

Our mission is to provide bespoke interior design solutions that are both personal and cost-effective while being a true reflection of your core attributes.

We get involved in understanding and analyzing your vision, assess all core competencies and collaborate with you, ultimately creating magic.

INTRODUCING OURSELVES

We meet you to discuss your objectives, budget and what you want your new space to deliver for your organization.

1 BEFRIENDING YOUR SPACE

We acquaint ourselves with your new space, whether new or existing that you want to refurbish.

Our team then conducts site surveys, technical inspections and evaluates all facilities to chalk-out a detailed plan of action.

We collaborate with you to zone your space, based on the intended functions, easy circulation and maximum efficiency.

This evolves to the right space planning and layout.

2 ZONING & SPACE PLANNING

3 FINALIZING THE DESIGN

Working closely with our designers, before we create design concepts and visuals that bring your new space to life.

Our efficient project management and regular site inspections, proactively keeps you appraised of the progress and ensures timely and satisfactory completion of the project.

4 PROJECT MANAGE & BUILD

5 HANDOVER & MOVE-IN

By delivering your new space on time, we ensure your move is successful and stress free.

Turnkey Fit-out

A photograph of a person's hand pointing at a table covered with various material samples and documents. The samples are arranged in rows on a dark surface. The background is slightly blurred, showing more documents and a person's arm. A thin, curved green line is overlaid on the image, starting from the bottom left and curving towards the top right.
